The giants of today come in a variety of forms. Each one of us faces a formidable personal enemy. Thank God that, like the young man David when he faced off against Goliath, our victory is realized when we lean on God, faithfully wielding mighty spiritual weapons and claiming the victory He has won for us. As God's men we must be prepared to take a stand and face our personal giants. This year our Men's Camp will focus on equipping men of God to stand and respond effectively to the many giants we all face.

We anticipate a powerful, enriching, and Christ-centered time in a beautiful outdoor setting as we fellowship together and celebrate biblical manhood, especially being men full of grace and power. If you have attended one of our men's weekends, you know how spiritually rejuvenating it can be. If you have not been to one, come and join us this year. We would love to have you!
